

The purpose of the Baton Rouge Kingfish Captain's Club is to:

- encourage and promote the interest of ice hockey in Louisiana, in particular the Baton Rouge area;
- to provide a method for people who enjoy hockey to meet and commingle with others interested in the sport;
- provide education and information about the Baton Rouge Kingfish to the membership and general public
- contribute to and support the team's and Captain's Club selected charities;
- work with the owners and management of the team in a cooperative and enthusiastic manner;
- commingle with and support the members of the Baton Rouge Kingfish Professional Ice Hockey team in all their endeavors

So what does all that mean in English? During the hockey season we help the players and their families by stocking their apartments, getting them acquainted with the area and in any other ways they may need us. We plan bus trips to many of the other away games to show our support, we have pre-game pep rallies, away game listening parties, a season opening "Welcome the Kingfish" party, a Christmas party, season ending Awards Banquet, summer hockey withdrawal parties, and summer picnic. Before the team heads off on a road trip, the booster club will pack and distribute player packs to each team member that will have snack for him to have during the road trip.

As a club we also help promote the Kingfish name and reputation in the community by assisting in player appearances at local festivities, parades, store opening, etc.

But most of all we have a lot of fun surrounding our favorite sport and our favorite team. If this sounds like something you might be interested in, complete the membership form and join in on the fun.

You may also get more info from several area's:
